

“My experience was one of the most wonderful experiences of my life. I improved my Spanish proficiency enough to skip a year of Spanish in school”

Curtis Larsen, Minnesota, United States

“Through my host family and friends from work at the school, I have gotten the impression that Costa Rica is a beautiful country that induces pride in anyone who knows it”

Celeste Vanderwerf, Minnesota, United States

COSTA RICA

EXPERIENCE LIFE !!!

Tired of long grammar lessons and memorizing verb conjugations?

Trade your books for a camera and your desk for a surfboard. Learn and enjoy in a unique country with warm people where you can enjoy nature, culture and adventure.

Experience adventure in Costa Rica

As an international student, you will not simply learn Spanish and travel around to see new places you will find a whole new world and a different way of life. Make friends that will last a life-

Rafting at the Pacuare River

time. **INTERAMIGOS® Language, culture and ecology learning program** offers you the chance to be a student in a friendly environment and at a fair price.

INTERAMIGOS® is for everybody, high school students, professionals and retirees.

Learning Spanish in Costa Rica

Learn or improve your Spanish while you learn about a new culture. **INTERAMIGOS®** offers you the opportunity to stay with a Costa Rican host family.

While you are in Costa Rica you will listen and speak Spanish all the time so you won't stop learning Spanish when you leave the classroom.

The program includes two daily meals, laundry and ironing and optional educational tours. Enjoy delicious meals and activities with your host family. They'll make you feel at home!

Enjoy time with new friends.

You decide how long to stay!

INTERAMIGOS® offers you flexible trips of 1, 2 or 3 months, or even more. During your trip, you'll have the opportunity to go to a high school, learn Spanish in intensive courses, or volunteer at your host community.
